### ABOUT US

Founded in 2018 and headquartered in Anchorage, AK, IPS has been providing expert project management services since its inception. We collaborate closely with your team during the pre-planning phase to ensure project goals are clearly defined, and timelines are established for smooth project execution. Our commitment is to exceed the expectations of our government clients by ensuring a successful completion of every project.

### CORE COMPETENCIES

With over 30 years of project experience, IPS partners with clients to deliver efficient and cost-effective strategies to guarantee a successful completion.

### Our core services include:

- ✓ General Contracting
- ✓ Project Management
- ✓ Repair and Maintenance
- ✓ Interior Renovations
- ✓ Exterior Renovations
- ✓ Commercial Renovations

### DIFFERENTIATORS

- ✦ With over three decades of experience managing projects throughout Alaska, IPS understands the unique challenges of working in diverse climates and remote locations.
- ✦ IPS prides itself on having a responsive and adaptable team that can quickly pivot to meet changing project needs.
